

Advanced Fingerprint reader for attendance and access control solution

BV-2120

Main features:-

3000	3000	200,000		EM
Finger Capacity	RFID Capacity	Attendance records	verification Type	RFID Type
2.4 inches	Optical sensor	< 0.01%		PIN
Screen Display	Fingerprint Sensor	False Rejection	Access Control	Personal ID No:
	1:N 1:1			
RS 485	Fingerprint Verification	USB Slot	Ethernet TCP/IP	WiFi

Specifications

Product name Fingerprint Terminal for Attendance & Access Control terminal
Screen 2.4" Colour Screen

Keypad Key
Verification Mode 1:1, 1:N

Working Mode Online
Verification Time < 1.0 sec

Verification Combination Fingerprint / ID card / Password
FP+Card, Pin+Card, FP+Pin+Card

Finger capacity 3,000
Card Capacity 3,000

Pin capacity 3,000
Log Capacity 200,000

False Rejection Rate < 0.01%
False Acceptance Rate < 0.0001%

Finger Print Sensor Optical Sensor
USB USB slot

Powersupply DC 12V
Communication TCP/IP, WiFi, RS 485

Access Control Relay Built In
Display Language English

Sound Indicator Buzzer, Voice
installation Wall Mount

Working Temperature 0 to 50 degree Celsius
Working Humidity 20% to 60%
